on the bill? The Clerk has matters to read into the record.

CLERK: Mr. President, I have received a report from the Public Health and Welfare Committee regarding confirmation hearing.

New resolution, LR 207 by Senator Haberman. (Read by title for the first time as found on pages 2446-2447 of the Legislative Journal.) That will be laid over, Mr. President.

Mr. President, your Enrolling Clerk has presented to the Governor bills read on Final Reading this morning. (Re: LB 254, 254A, 618. See page 2447 of the Journal.)

Mr. President, your committee on Enrollment and Review respectfully report that they have carefully examined and engrossed LB 120 and find the same correctly engrossed; 124 correctly engrossed; 224 correctly engrossed; 244 correctly engrossed; 370 correctly engrossed; 531 correctly engrossed and 632A all correctly engrossed, all signed by Senator Rod Johnson as Chair. (See page 2448 of the Legislative Journal.)

PRESIDENT: The Chair announces that the House Call is raised.

CLERK: Mr. President, the next motion I have on the bill is by Senator Warner.

PRESIDENT: The Chair recognizes Senator Warner.

SENATOR WARNER: Mr. President, members of the Legislature, this amendment is the one discussed earlier that merely wipes out the committee amendment, the allocation of the funds by Nebraska statute and the allocation then would be subject to appropriation within federal guidelines which as they now stand, 90% of the money would be required to be distributed either to the Community Action or Department of Aging, Nebraska Senior Citizens or Nebraska Association of Farm Workers. Up to 5% could still be used for administration based upon pending the appropriation and then the other 5% would be eligible for transfer under the federal guidelines to three or four other programs though no transfer is planned now but by striking item No. 7 amendment of the committee amendment which was a new Section 8, that would provide the flexibility that future Legislatures ought to have. Move its adoption.
